In compliance with the American Disabilities Act (ADA), Virginia Regional Transit provides a shared ride, advanced reservation, origin to destination service for disabled individuals who are unable to use regular fixed route public transportation services because of their disabilities.

To be eligible for service, the functional limitations of an individual’s disability must prevent use of regular fixed route buses. **Paratransit service is not available to persons who find it uncomfortable or difficult to get to and from bus stops.**

Please be aware that Virginia Regional Transit provides two types of public transportation:

1. **Fixed Route** buses provide service at designated bus stops along specific routes according to set schedules. Many fixed route buses have features to make riding easier for people with disabilities including wheelchair lifts and handrails for entering and exiting the bus.

2. **Paratransit Service** is a shared ride, advanced reservation, origin to destination public transportation service for people whose disability prevents them from riding fixed route buses. You must receive certified approval to use this service and must call in advance to make a reservation to travel.

| Applications MUST BE CERTIFIED by a licensed or certified health care professional every 2 years and within 30 days of expiration |

Your ability to ride fixed route buses will be evaluated through use of this application, and in some circumstances, an in-person interview. Each application will be evaluated on a case-by-case basis, taking into consideration all of the information provided.

Applications are processed in the order in which they are received. A determination will be made within 15 days of receipt of the application and you will be notified of this decision in writing.

| It is very important that the application be filled out completely. Incomplete and illegible applications will not be processed and will be returned. Applications must have original signatures, as faxed or photocopied signatures are not permitted. |

If you have any questions concerning this application or paratransit services, please contact the ADA operations supervisor at (540)338-1610, ext 1302 or toll free at 1-877-777-2708.

The Americans with Disabilities Act of 1990 (ADA) requires the provisional of paratransit service to anyone who is prevented from using the regular transit system, by reason of physical or mental limitation, and who is traveling in an area served by the system.

The applicant who has asked you to review and sign this form is seeking eligibility for Paratransit Specialized Transportation service. This application is intended to determine whether applicant can use regular transit services or whether he/she requires origin to destination service.

Resources for this program are limited so please exercise care in evaluating this applicant. Your evaluation must be based solely upon the applicant’s ability to use regular transit services. False verification could result in travel limitations for persons legitimately qualified to use this program.

Please carefully review the information provided by the applicant and answer the questions below.
